Bristol Glen

Located in scenic Sussex County and nestled in the quaint, historic town of Newton, United Methodist Communities at Bristol Glen offers a never-ending variety of activities and amenities so you can rekindle those things you love and explore new pursuits. And best of all, you'll have a likeminded group of people to enjoy the memorable moments and engaging events that shape your abundant life in a warm, inviting setting.

Abundant living is...

**having common
interests and
uncommon passions.**

At United Methodist Communities at Bristol Glen, we are dedicated to compassionately serving older adults so you are free to choose an abundant life. When you choose Bristol Glen you are joining a family that has specialized in senior lifestyles for over a century. Our person-centered living philosophy and customized services enhance the lives of every person who calls Bristol Glen home. This combination of humanity and vitality form the foundation for an abundant life.

Our community offers a full continuum of services to ensure an abundant life:

Independent Living at Metcalf Woods offers the security and companionship of an active retirement community. The knowledge that you are in a secure, safe environment adds to your sense of well-being.

Assisted Living in the Tice Pavilion is apartment style living with personal and healthcare services tailored to your needs. Assistance with medication management and activities of daily living can be provided in your apartment, allowing you to maintain maximum independence.

Assisted Living+ gives you peace-of-mind knowing that higher levels of care are available in your apartment should the need arise.

Memory Support in the Ziegler Grove offers security and support services designed for those with Alzheimer's disease or related dementias. Independence and productivity are maintained in a supportive, home-like environment.

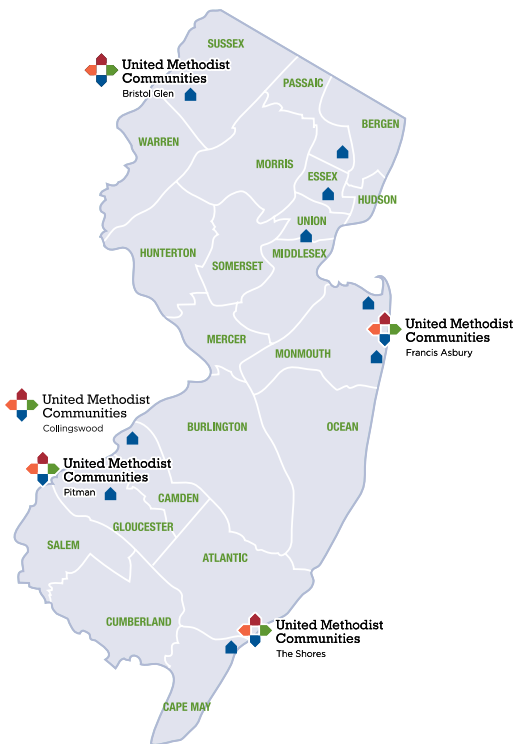

Skilled Nursing Services in the Harris Center provide 24-hour long-term nursing services care in a spacious room with maximum comfort for those residents requiring the most comprehensive care.

Rehabilitation or sub-acute care, is ideal for people who are being discharged from the hospital after an injury or illness, but who are not ready to return home. Our rehabilitation is results-focused for the fastest recovery.

Respite offers a short-term stay when considering our community but want to try us out first. We also care for individuals while their family or caregiver is taking a vacation or a few days off.
