Rehabilitation

Personalized Pathways to Healing
Consistent with United Methodist Communities’ innovative service to seniors, rehabilitation represents the perfect intersection of healthcare, long-term care and technology. These customized and therapeutic tools most effectively restore function, achieving the best possible gains. Complemented by the environment and personnel, we can successfully treat even seniors with multiple and complex health conditions.

We believe...
...a person-centered environment promotes healing.
...in maximizing individuals’ independence.
...everyone has the right to live abundantly, regardless of age.
...a collaborative multi-disciplinary team leads to more comprehensive treatment.
...a results-driven approach helps individuals reach their full wellness potential.
